HACKSPARK-1.0

(State Level 24 hours Hackathon)

Vision

We will empower youth by imparting quality technical education and strive to prepare students with excellent technical skills.

Mission

- We will offer value added quality technical education & excellent academic training to our students.
- We will provide state of art infrastructure with latest facilities.

About Us

Thakur Shyamnarayan Engineering College (TSEC) is a Hindi Linguistic Minority Institute under Zagdu Singh Charitable Trust, approved by All India Council for Technical Education (AICTE), recognized by the Government of Maharashtra, and affiliated with the University of Mumbai, where innovation meets expertise. Our institute stands as a beacon of excellence in engineering and technology education by conversion of a Diploma institute (Thakur Polytechnic- established in 1998) into a Degree Institute under Thakur Education Group (TEG) to provide a comprehensive curriculum, state-of-the-art facilities, and a conducive learning environment aimed at nurturing the next generation of aspiring engineers, visionaries who will come together to embark on their journey of exploration, creativity, and transformation.

Student Council

IIC

Thakur Shyamnarayan Engineering College's Institution Innovation Council (IC) 202217862 empowers visionaries by fostering innovation and entrepreneurial journeys. With a mission to ignite ideas and build resilience, IIC creates a dynamic ecosystem where creativity thrives, skills are sharpened, and ventures grow into successful realities.

DLLE

The DLLE department strive to create a society where education goes beyond classrooms, empowering students to apply their knowledge for social betterment, lifelong learning, and community transformation.

ISTE

ISTE Student's Chapter TSEC MH-116 is a prestigious, nationally acclaimed society, proudly affiliated with ISTE New Delhi. Dedicated to fostering technical excellence and innovation, the chapter provides a dynamic platform for students to develop unparalleled expertise in technical skills, leadership, and management capabilities.

Green Club

Green Club Vasundhara 3143 promotes sustainable living and environmental awareness. It encourages eco-friendly habits and community participation in conservation. Collaborating with UNICEF, the club aligns with global sustainability goals, inspiring individuals to make small but impactful changes for a greener future.
